

# Lego Group

Impact Speech Pathology is excited to offer a LEGO Program for children aged 5-8 years old. This evidence based program will utilise the medium of Lego to build skills in working with others in a group environment whilst also promoting motor skill development.

## The program will focus on:

- ✓ Communication with others
- ✓ Developing and maintaining friendships
- ✓ Improving confidence and emotional skills
- ✓ Promoting collaborative problem solving
- ✓ Development of fine motor skills
- ✓ Promoting flexible thinking
- ✓ Development of negotiation skills
